CRASHER

CRASH GAMES

Shake the ground AND WIN BIG!

Crasher is an adrenaline-pumping game where players first place bets before the game starts and then wait for the Crasher to hit the ground with his hammer causing a crack to grow and the odds to rise. This high-stakes game also offers a unique "50% Cashout" feature, enabling players to claim half of their winnings while keeping the other half for further play.

CRASH GAMES

Can You Handle THE RISK?

Crash is a thrilling game of timing and intuition. It's our top-performing game where players place their bets before the game starts and observe the gradual rise of the curve. The odds continue to climb until an abrupt stop, known as the CRASH, occurs. To secure a win, players must click the 'cashout' button before the crash takes place.

CRASH GAMES

When Fashion MEETS GAMING

Cash Show is the first-ever luxury crash game, developed in partnership with Fashion TV Gaming Group. In this exciting fusion of fashion, thrill, and chance, players bet before the real model takes the stage and starts walking. The objective is to predict when the model will stop walking and cash out before she does.

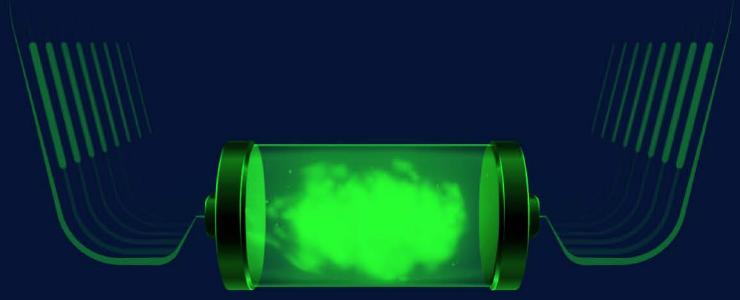
LIMBO CRASH



CRASH GAMES

Charge Up FOR BIG WINS!

Limbo Crash is an intriguing game where players specify the bet amount and choose a preferred multiplier, anticipating the rising odds in the battery. Once the player presses the 'Bet' button, the odds might stop at a random number, and players win with corresponding odds if they match or surpass the chosen multiplier. Unlike other crash games, Limbo Crash lets players play independently, allowing them to set preferred odds at the beginning of the game.
