Follow the Trail TO COSMIC WINS!

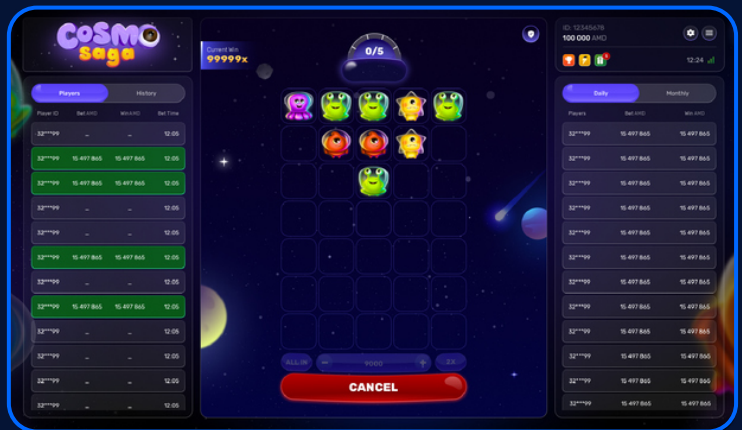

UNIQUE GAMES

The unique puzzle game challenges players to create combinations by moving particles on a board. With five different types of particles at play, the objective is to form combinations of a minimum of three identical particles. After each combination, the particles disappear, and new ones fall from the top, potentially creating more combination possibilities. Players have the flexibility to cash out at any point, and should they decide to proceed until the fifth step, the system automatically pays out the winnings based on the accumulated multipliers.

Fast, Fashionable & FULL OF WINS

SCRATCH GAMES

Created in partnership with Fashion TV Gaming Group, the game seamlessly blends fashion and speed for an exhilarating scratch-card experience. Players start by inputting their desired bet and buying tickets, and the goal is to scratch and uncover three matching symbols for a stylish win. Players can manually scratch or opt for the "Scratch All" feature to unveil hidden odds. What sets "Hot Gear" apart is its focus on style and luxury, enhancing the gaming experience with a unique design and dynamic animations.

A Bingo Like NEVER BEFORE

BINGO-LOTTERY GAMES

Bingo Star combines all the beloved elements of bingo and is packed with surprising twists and thrilling features. The game offers an engaging experience with 30 balls drawn from a 90-ball pool, challenging players to form matching patterns from predefined sets. With the ability to remove and change cards, players target different winning patterns. Additionally, extra balls add a chance to boost winning pattern multipliers, while the Bonus Pattern unlocks a bonus mini-game.

A Trick-Taking. **FUN CARD GAME**

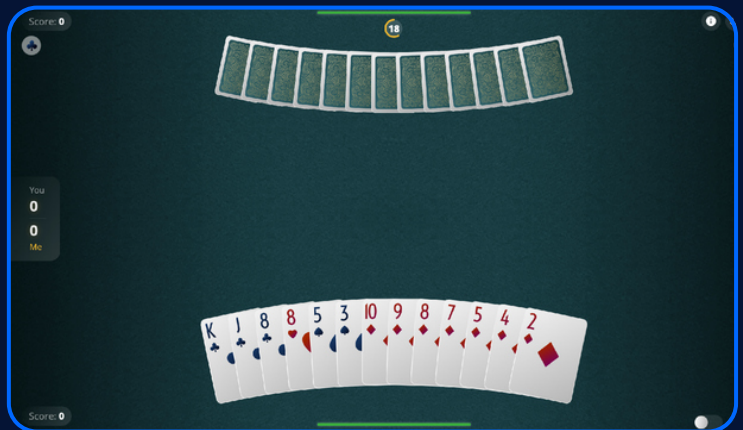

SKILL GAMES

Hokm is a strategic game where a standard deck of 52 cards is used, and players choose a trump suit that outranks others. They take turns to initiate rounds and win hands by playing higher cards of the same suit or the trump suit. The first player to win 7 hands earns a point. The game continues until the player reaches the set score.
